OUR HEROIC DEAD-THE BLUE AND THE GRAY-LIE FOR THE MOST PART IN ISOLATED GRAVES-SOME HONORED AS GRANT IS NOW BEING HONORED-OTHERS, UNFORTUNATE-LY, NEGLECTED-ONE SOLDIER'S ASKES MINGLED WITH THE DRIFTING SANDS OF THE SEA-HOW THOSE THAT FELL UNDER GRANT OR LEE, FEDERALS OR CONFEDERATES, MET THEIR DEATHS.

THEIR DEATHS.

By GEORGE L. KHLMER.

The comains of our martial leaders and heroes are widely acatacred. Grant sleeps by the Hudan. Sherman out the same of the war leagher was banks of the Mindsheph, and Sherman out the Mannington. As with these three, to closely associated in war, so it is with a strington, across the Potomac form at Artington, across the Potomac form was injuried. As the same soldows who stood shoulder to shoulder in bartle. With the exception of West Point and Artington, there is no burstler in bartle. With the exception of West Point and Artington, there is no burstler and sailors which contain the remains for any atmospher of noted leaders. A man beautiful and sailors, which contain the remains for any temple of noted leaders. A man beautiful and sailors, which contain the remains for any temple of noted leaders. A man beautiful and the same cornectory are formed for the first Hill countries. Hill, Philadelphia, and Spring Grove. Highermant Sampuer's was the first the graves of Generals Kiloatrick, in the graves of General Resident of the Fifth corns and the vettorn facts from the grave which, in 1951, through the property of the graves of General Service of the graves of General S

Many of the subordinate heroes of the war, the dashing follows of meteric carseers, he in strange out-of-theway places. Colonel Elliworth, the zonave, known as the flag martyr of Alexandera, who fell in the second mounts of the car, is buried in the village councily at Mc-bandewille, N. Y. Nathursel Lyon, also a hero of the first months of the war, is buried at East-tool, Colin, He was killed in the battle, and his body fell into the hands of the content, but was timally recovered and sent north for burial.

Mayor Theodore Winthrob, another of the martyrs of 1861, and who was short through the heart while leading a forlern hope at fig Bethel, is buried at free mount in the cast, in the here of Albertande sound, and who also strived his war wounds, and thed a couple of years ago in Bestian, is buried at Rurilacton, In. Custing, its baried at Rurilacton, In. Custing, its baried in the Naval cemetery at Amiapolia.

There is a grainxy of Unillant carses borne by heroes of mostly a bard fight. At the head stands that of Ilancek, the charges famous in history its buried at Norrietovan, venn, in a vanit constructed under his own supervises, General Renry A. Farrann, who surfered until the day of me deart, in title, from a wound reserved in 182, is haved in Oak Wood cometery. Syracuse, N. Y. General Humin burntan, the has of the capture of Fort Humin burntan, the has of the capture of Fort Humin burntan, the has of the capture of Fort Humin burntan, the head at many afters, besides Sheridan, who has alread when many deep and the fort and ded of a wound reserved in 182, is haved in Oak Wood consecond that are at Marye's decided of a wound reserved in 182, is haved in Oak Wood consecond that are at Marye's decided of a wound reserved in 182, is haved in Oak Wood consecond that are at Marye's decided of a wound reserved in 182, is haved in Oak Wood consecond the barge at Marye's and the fort in the first stance ram deet, and deed of a wound reserved in 182, is haved in Oak Wood Consecond the barge at Marye's and the fort

successful and in bick o time, for the stround was soon irrettievably lost to the energy and the Confederates in full retreat.

General Joseph E. Johnson is buried in Greenmoant cometers, Baltimore, General Polk, the seldier-bishop, who was killed at Johnston's side, in front of Atlanta, by a shell which General Sherman himself almost and dispatched on its errand of death, is buried at Augusta, Gas. His form is undertooned in the state of death, is buried at Augusta, Gas. His form is undertooned in the state. Only one army commander was killed in battle. That was Albert Sidney Johnston, the subfer who, at the time of his death at Shiloh, was the hope of the south. After leading a successful baywast charge in front of the terrible 'Horness' Nest. 'General Johnston rote towards an other part of the field, to order up fresh troops. Without knowing it he was then bleeding to death from an artery severed by a builet that had struck him during a moment of excitement and had not been felt. A stream of blood pouring over the top of his booties attraceed the attention of his booties attraceed the attention of his booties attraced the firm the smaller. Death followed before a surrector could be summoned.

For four that lithings of the fourth of their going and would chill the arder of the soliders who were stendilly driving transfer only the first hurial year. A south in the St. Lanis cemetery, at Austin, Tex. to mention of the summander of the and the suddle. 'It Eliments to the start leading of the facility of the and one sent of the suddle of the sudd
